

Declaration of Health Status

It is very important to us at Silverbirch that our team and our clients are kept as safe as possible at this unusual time. We are keen to offer our full service to all clients, but in line with our Covid-19 Response Policy we are asking all our team and clients to sign the following declaration in advance of a physical appointment. This is in addition to the full PPE measures we are also undertaking and these can be found in our Covid-19 Response Policy.

- I confirm that I have not been in a foreign country within the last 14 days
- I confirm that I have not knowingly been in contact with anyone with Covid-19 or Covid-19 symptoms in the last 14 days
- I can confirm that I do not have any symptoms associated with Covid-19 as set out by Public Health England
- I have not breached Government Guidance on social distancing at any time but specifically the last 14 days
- I do not share a household with a vulnerable person
- I agree to maintain social distancing guidance through the appointment
- I agree to the Silverbirch Covid-19 Response Policy which details the manner the appointment will be conducted
- I understand Silverbirch have the right to cancel my appointment if any of the above conditions have been breached
